## Two Additional Tennis Courts to Be Constructed at Community Playground

Wading Pool for Kiddies Also  
Made Possible by  
Y Fund.

### POOL NEARLY FINISHED

A wading pool for small children and two additional tennis courts will soon be available as part of the equipment of the Narberth Community Playground.

The wading pool, which will be of concrete, twenty-four feet in diameter and thirty inches deep in the center, is expected to be completed by the end of this week.

Bids were received for the tennis courts at a meeting of the Recreation Board last night and the contract will be awarded this morning. Construction will begin immediately so that the courts will be available this summer. They will be placed just west of the present courts.

Both of these projects were made possible through the generosity of the

## Narberth Man Joins Pennsy Roll of Honor

John Thomas Dalzell, of 11 Sabine Avenue, Narberth, was placed on the Roll of Honor of the Pennsylvania Railroad recently after completing forty-nine years and three months service.

A special clerk, auditor of freight traffic office at the time of his retirement, Mr. Dalzell entered the employ of the Pennsylvania on April 12, 1881, at Pittsburgh. He was born and educated in that city living there until he was transferred to the Philadelphia office when he moved to Narberth. He has been a resident of the Borough for eight years.

Mr. Dalzell was an active member of Free Masonry, receiving the thirty-second degree in Boston in 1919. He has been an active member of the Presbyterian Church all his life and for the past eight years a member of the Narberth Presbyterian Church.

## On L. M. School Board

DR. EZRA S. DEUBLER  
of Penn Valley, who was appointed a member of the Lower Merion Board of Education on Monday night. Dr. Deubler is superintendent of the Penshurst Farms, Penn Valley.

## Green Announces Two Players Club Committees

Preliminary announcement has been made by W. Russell Green, president of the Narberth Plays and Players' Club, of the personnel of two committees.

The coach and plays committee consists of the following: Mrs. Henry A. Frye, chairman; Mrs. H. I. McConnell, Mrs. C. Arley Farmer, Frank Follmer and Wallace Boileau.

The scenery committee includes the following: Mrs. James D. Moore, chairman; C. Arley Farmer, C. D. Goodwin, Fielding Howe and V. O. Krauskop.

The club held its second meeting last night in the form of a garden party at the home of Mr. and Mrs. Farmer on Woodbine Avenue.

## Plan Food Sale

The Sunshine Bible Class of the Narberth M. E. Church will hold a food sale next Friday, July 17, on the lawn of Harry B. Wall's residence, Haverford and Forest Avenues. Pies, cakes, potato salad, jellies, etc., will be for sale.

## Narberth Gains Brilliant Victory Over Hilldale, 5-1, Wednesday Before Large Crowd

By DAVE CASEY

Gene Davis' Narberth team, rising to hitherto undreamed-of heights of baseball brilliance, swept the mighty Hilldale team down to a 5-1 defeat Wednesday evening. A large crowd, jubilant at the success of the local boys against the strong colored champions, were thrilled by the well-played game and the timely hitting and efficient fielding of the borough boys.

The outstanding hero of the glorious triumph was Jack Jackson, whose masterly twirling completely cowed the formidable Hilldale batters. The

## Registry Assessors to Sit Next Week

Councilmen Bates, Fretz, Haws  
Expected to Be Candidates  
for Re-election.

## SEE SCHOOL VACANCY

Registration days: Tuesday and Wednesday, July 14 and 15.

Last day to file petitions: August 10.

Primaries: September 15.

Election Day: November 3.

Thus the more important political information may be summarized. Next Tuesday and Wednesday the Registry Assessors, Mrs. Mary Livingston, Mrs. Horace Murray and Miss Emma Mueller, will sit in the three voting districts to enroll new voters to correct addresses of those who have moved or those who have changed parties. It is necessary to be enrolled on the books of the registry assessor in order to vote at the fall primaries.

The terms of three Councilmen, Clifford W. Bates, William H. Fretz and Edward S. Haws expire this year. Their terms are for four years. Two school directors, Mrs. F. T. Van Auken and Dr. Walter Steckbeck, will also finish their term of office this year.

Minor offices to be filled include three Judges of Election, one for each

## Building and Loan Matures Big Series

The Narberth Building and Loan Association mailed out checks last week at the maturity of the twenty-ninth series of stock. The gross amount, over \$160,000, was the largest maturity in the history of the association.

The Narberth B. and L., with assets of more than a million dollars, has a directorate consisting of citizens of long residence in the community, and is itself a long-established local fixture. Its next series of stock will be opened on September 3.

## Strengthened Narberth Team to Make Strong Bid for Second Half League Laurels

The Narberth Baseball Club is out to win the second half of the 1931 Main Line League championship or "bust," and anybody that knows Manager Gene Davis and his men knows that they don't believe in "busting." So watch your step, Paoli, from now on, and "stand by," all you loyal Narberth fans and rooters, and give the home town club all the support you can.

Manager Davis is putting into the field for this second half of the championship the strongest team that he can get together and Narberth will be right after first place in the league standing at the first crack of the gun.

Joe McEntee, the star first-baseman, is already back in the Narberth lineup, having played his first game of the season with the local club on Fourth of July morning. McEntee is without question one of the best and most sensational ball players outside of the big leagues. He was first-baseman and captain of his college team at Holy Cross, and for several years has played with the Penn A. C. team during its spring and early summer season. His work both on the infield and at the bat for Narberth last summer was one of the real baseball treats of the year.

Other stars that Manager Davis is planning to have in the Narberth lineup for this second half of the season include Nick Carter, former Swarthmore outfielder and recently with the Penn A. C.; Walker, who played short-stop for the University of Pennsylvania during this past season and contributed a lot to Penn's winning the

## 1931 Tax Bills Mailed This Week in Borough

Bills for 1931 taxes in the Borough of Narberth were mailed this week to some 1400 property owners and 3254 per capita tax bills were also sent out. Borough, School and County taxes for 1931 total \$205,290.83.

Tax Collector Edwin P. Dold stated this week that considerable misunderstanding seems to exist about the per capita tax bill. "This tax," he said, "is levied against every adult resident of the Borough under act of the Assembly and must be paid regardless of whether he or she owns real estate or has the right to vote."

Errors or omissions in tax bills should be brought to his attention at once, Mr. Dold said, and not left until time for payment of taxes.

The penalties and discounts allowed on various taxes are as follows: 5 per cent. penalty is added to County and State taxes if unpaid by September 15, 1931; 5 per cent. penalty added to School taxes if unpaid October 1, 1931; 5 per cent. discount allowed on Borough taxes if paid before October 1, 1931; 5 per cent. penalty added to Borough taxes if unpaid January 1, 1932.

The Tax Collector will be at the Narberth National Bank from September 1 to January 1, from 8 to 9 A. M., on Friday evenings from 7 to 9 P. M. and on Saturdays from 9 A. M. to noon.

If checks are mailed, stamped addressed envelopes should be included for receipts.

### Narberth Theatre Notes

"Father's Son," playing at Narberth this Friday and Saturday, is adapted from the Booth Tarkington drama. Also on the program are a Laurel and Hardy comedy and a Bobby Jones golf entertainment feature.

Warner Baxter and Joan Bennett make a pleasing pair in "Doctor's Wives," the love drama at Narberth next Monday and Tuesday.

Quite amusing is "Indiscreet," in which Gloria Swanson is coming to Narberth Wednesday and Thursday.

Next Friday and Saturday at the borough playhouse El Brendel is due in his latest comedy, "Six Cylinder Love." Coming next are Thomas Meighan in "Young Sinners"; Ann Harding in a revival of "Paris Bound" and Warner Oland in "Charlie Chan Carries On."

### Milne Mystery Play

#### Showing at Europa

At the Europa is the Philadelphia premiere of "The Perfect Alibi," the mystery comedy drama by the distinguished British playwright, A. A. Milne.

This is the all-talking film transcription of Milne's unique mystery play which, after a successful season in London, ran for two solid years in New York City. Produced in England by Basil Deane, who directed John Galsworthy's "Escape," "The Perfect Alibi" reverses the usual order of mystery plays inasmuch as the murder is committed in full view of the audience, with clues left to make it appear a suicide. The criminal has a perfect alibi for every minute of the time, excepting one, and this leads to the

thrilling climax.

The cast includes Warwick Ward as the criminal, who is known in America through his sterling portrayal of the villain in the UFA picture "Variety." C. Aubrey Smith, who recently made his American debut opposite Marion Davies in "The Bachelor Father," and Dorothy Boyd, a new-comer to the screen.

# Main Line Home and Garden Improvement Notes

By ROBERT J. EDGAR

The past spring season has been a most favorable one in the garden with warm weather and rain at regular intervals, not too much and yet just enough. Roses were fine, delphiniums were very good and our lawns kept fresh and green.

While regal lilies were earlier than usual most plants flowered right on schedule.

Rainfall is just about normal since January 1, but we always have that possibility of a drought in July and August. Let us hope that this summer will not be a dry one.

July is a good season in which to weed the rock garden. A top dressing of leaf soil and stone chips will be appreciated by the plants as it is our warm summer that bothers them more than the winter cold. Sheep shears are most convenient to cut off seed pods of arabis, aubrietias and dianthus. The plants will make new growth and be more vigorous next year with this attention.

August is the time to sow fresh seeds of pansies, in a cold frame, for nice sturdy plants to set out next spring. While the glass is used in winter a lath covering is best for summer—with burlap atop the lath cover until the seeds germinate. The same conditions apply to summer sown seeds of perennials and biennials.

There is a spray material compounded of quassia solution and liquid sulphur that makes a fine fungicide as well as an insect repellent. The sulphur sprayed on foliage is a preventive of mildew and no insect will eat a leaf coated with quassia solution. This spray material is also effective as a soil sterilizer against root fungi and as a repellent of soil insects. An ideal spray for hardy phlox against mildew and red spider and fine for delphiniums in the soil and on the foliage.

Gypsophila Bristol Fairy has proved most satisfactory for garden effect and to cut and arrange with other flowers. Not from seed, it is necessary to order plants for either fall or spring planting.

Hardy primroses may be divided in July or August; they crowd themselves after two or three years in one location and are pretty tough to tear apart; some gardeners wash the roots in water in order to see the crowns.

Rhododendron maximum in flower, the last of the procession, the most widely planted, the least costly and perhaps the most satisfactory of all. And this grand flowering evergreen shrub is a native of our own Pennsylvania mountains. Let us place it second to the mountain laurel.

And now the zinnias start to flower, one of the gayest, the easiest, the cheapest and best all around annuals in the garden—and they keep flowering until frost.

Arguing with people who don't care is just a waste of time.

Just because they are polished, some folks think they are bright.

The reason many people are poor is because their parents were honest.

Anyone who has ever been on it knows the difference between a diet and eats.

## Gibson Bell President of Penn Valley Country Club

The proprietary members of the Penn Valley Country Club met at the home of J. A. Lafore, Penn Valley, last week and definitely organized.

The charter was adopted and the club's attorney, Frank H. Mancill, was authorized to make application to the county Courts for incorporation.

By-laws were adopted and a Board of Governors and officers were elected. The officers are: President, Rev. Gibson Bell; vice president, Walter D. Fuller; secretary, Jean G. Allen; treasurer, Eugene Jordan. These officers and Messrs. J. A. Lafore, Earl Wagner, J. M. Anderson, E. Burke Wilford, H. W. Pfeffer and Robert J. Nash constitute the Board of Governors.

The officers and Board of Governors were authorized to proceed with construction at such time as seemed in their judgment most desirable.

## Big Gas Tank, Old Ardmore Landmark, Razed

A familiar Ardmore landmark, the huge gas holder on the north side of Lancaster Avenue, directly opposite Greenfield Avenue, where the local shop, storeroom and garage of the Philadelphia Electric Company are located, has just been torn down.

The holder, which had a capacity of 110,000 cubic feet, was built in 1894 by the R. D. Wood Company. It was what is technically known as of the "two lift type," had a diameter of sixty-five feet and stood sixty feet high.

High pressure transmission mains and other storage holders elsewhere in the system rendered its further employment unnecessary.

## Christian Science Topic

"Sacrament" is the subject of the lesson-sermon to be read in all Churches of Christ, Scientist, Sunday, July 12. The Golden Text is, "Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work" (John 4:34).

Among the citations from the Bible is the following: "So when they had dined, Jesus saith to Simon Peter, Simon, son of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs" (John 21:15).

## Playground News

The baseball season at the Community Playground started off with a "bang." A great deal of interest is being displayed by the boys who compose the Senior and Junior League.

On Wednesday morning the Juniors battled together with the Parks and the Eagles overcoming the Aces and the Wildcats.

In the afternoon the senior league got underway. The Cardinals, last year's champions, nosed out the Tigers in the closest fought battle seen on the lot in many a day. The "Cards" trailed till the eighth, when Kane Lankey, first-sacker of the "Cards," socked a homer into deep right to tie the score at 7 up. Then in the eleventh Stroup saved the game by hitting a circuit blow with two men on.

In the other game the Midgets easily defeated the Aces in a long drawn-out contest.

#### Give Park Victory

The line-up of the baseball game, Wildcats vs. Park, on Friday afternoon was as follows: Wildcats—J. O'Connor, p.; Coradetti, 1b.; Henshaw, 2b.; Curran, 3b.; Finn, ss.; Wright, lf.; B. O'Connor, cf.; J. McCourt, rf.

Park—Paul James, c.; Wood, p.; Hess, 1b.; H. Norblum, 2b.; R. Norblum, 3b.; P. Woolmington, ss.; Guy Bailey, Jr., lf.; Townsend, cf.; Walter Case, rf.

Teh Wildcats were ahead until the eighth inning when Finn put in two errors to tie the score at 5-5. In the eleventh inning Finn had his third error with McCourt to lose the game. J. O'Connor had 14 strikeouts and allowed nine hits. The next game will be played on the playground league grounds.

### A Congressman from the Main Line?

By affixing his signature recently to the Congressional Reapportionment bill, Governor Pinchot increased the political importance of Montgomery County immeasurably. The creation of a new Congressional district out of Montgomery which will now have a Congressman of its own at Washington is a move of distinct advantage to the County.

Lower Merion, as the largest and wealthiest unit in the County, should have this honor and the logical man for the job is Fred C. Peters, of Ardmore, at present a member of the House of Representatives at Harrisburg.

Mr. Peters' record in County and State politics indicates that he is the type of man to represent the Main Line and Montgomery County. As a strong Republican organization worker, he has seen to it that the Main Line has gotten its rightful share of County tax money to be spent here.

His political astuteness is indicated by his share in the assessors bill, recently signed by the Governor. In its original form this bill called for the abolition of real estate assessors and the appointment of an assessing board by the Governor. This would have permitted Mr. Pinchot to create strong organizations in five of the large counties of the State. Mr. Peters, late in the session, was able to slip in an amendment substituting the County Commissioners as the appointing body and not the Governor. This move has been termed one of the greatest strokes of strategy put across at the last session of the legislature.

And Main Line communities need have no worries with the present County Commissioners in charge of tax assessing. They have done a good job and should be re-elected.

As indicated at the last election the Main Line's politics are moist and liberal, as were the County's as a whole, so its next Congressman should be a man who will interpret this attitude.

The new Township Code, also signed by the Governor during the week, also testifies to the political ability of Mr. Peters, who was a member of the Township Law Revision Commission, as also was Andrew Macdonald, vice president of the Lower Merion Board of Commissioners. The new code represents a great advance in clarification and liberalization of the laws by which first-class townships are governed.

It is not too soon to look around for Montgomery's new Congressman and one need look no farther than Ardmore, for Fred C. Peters is certain to be the choice of this section as the man for the job.

### The Way Is Now Open

The way has now been cleared for the appointment of a Township Planning Commission by the Board of Commissioners with the signing of the new Township Code by Governor Pinchot.

Preliminary work of a missionary nature among residents of the Township has been done by a Citizens' Committee comprising over a hundred citizens of prominence and standing in the community.

Its functions, however, are solely of an advisory nature and any actual work must be done by a Planning Commission appointed by the Township Board of Commissioners.

That planning is desirable from every viewpoint is the conclusion of all who have given it even a cursory study. That it is economically profitable is the conclusion reached by all communities that have undertaken it.

### Summering at Home

If you live on the Main Line, summering at home has much to recommend it. Of course, if your home should be in the centre of Philadelphia, you might feel forced to spend July and August at some distant lake or seaside.

Make an investigation, and you will find many Philadelphians renting Main Line homes and apartments for the summer. During the warm weeks these tenants enjoy to the full the trees, breezes and long drives of this really delightful region.

And with many swimming pools, tennis courts and golf courses scattered through these charming towns, you need not repine if you have to stay at home. Count your blessings and be glad that you can pay your grocery bills more or less regularly.

## Paoli Beats Narberth, Wins 1st Half Title

Borough Nine Trips Lansdowne  
in Afternoon Fray on 4th  
by 7-4 Count.

### REYNOLDS PITCHES WELL

By DAVE CASEY

Fourth of July proved to be a little more fortunate for Gene Davis' baseballers than Memorial Day, which, it will be remembered, proved very disastrous to the defending champions' first-half hopes. Last Saturday, however, the local boys managed to win half of their games, defeating the Lansdowne Club in the afternoon fracas by a score of 7-4, after bowing to the league-leading Paoli outfit in the morning by an 8-2 count.

The sad results of the morning were due simply to the fact that Paoli has a well-balanced line-up, studded with extremely effective hitters and possessing in Trost and Noblitt two high-class hurlers. Noblitt was the pitcher selected by Manager Madden to oppose the boroughites and although the borough boys got to him for nine hits, he proved invincible in the pinches and Narberth was only able to accumulate two runs. Noblitt fanned eight of the Narberth batsmen, allowed only one base on balls, and, in addition, was given excellent support by the Paoli team, the feature of which was Tompkins' great catch of Rubincam's drive in the ninth inning. For Narberth, Manager Davis nominated Keith Parks to throw them up at the league leaders and Keith found Paoli much sterner stuff than the Berwyn or Oakmont teams whom he had previously

Gene Davis, Jr., energetic assistant batboy, has departed for summer camp and the Narberth bench will therefore be a much quieter place the next two months.

Harry Francis, diminutive left-fielder, had a big day, smacking five hits in the two games and playing a great game afield.

Paoli received considerable assistance from several weird umpirical decisions by Messrs. Clark and Hopkins in the morning fray.

Vernon Fleck, the old master, was again in uniform after several weeks' absence and occupied the third base coaching box during the morning game.

Let's hope for better luck and more robust hitting in the second half.

## Paoli Beats Narberth, Wins 1st Half Title

Continued from First Page

defeated. However, the loss cannot be charged entirely against Narberth's youthful hurler as the Davismen put on an exhibition of execrable fielding, committing no less than six errors and several other mistakes in judgment that helped to swell the visitors' run-making total.

In the afternoon Narberth closed the Main Line League's first-half season in the same manner as they opened it by defeating Ed Sullivan's Lansdowne nine. The score this time was 7-4, and the gratifying results were obtained by a combination of Bill Reynolds' splendid twirling and timely hitting by Martin, Slaughter and Harry Francis. Reynolds was in fine form and, with the exception of the fourth inning, held the Lansdowne team helpless throughout the game.

### SPECTATOR'S MUSINGS

Well, it's all over with and what an altogether splendid evening it was! Around the fine, far-flung field, as the stars hung low and gentle winds stirred a fragrant air, swarmed the crowd, all arrayed in summer toggerly and variously estimated as between 8000 and 12,000 persons, an impressive cross-section of America at its best, and no doubt about it! How fortunate the town is in having an outdoor center as superb as the playground, so spacious and attractive, and praise be to all of the officials who are constantly making it better, more useful and a greater credit to us. What additional wonders are in store when Friend Wohler finally takes it on himself to adorn the railroad bank as a bewilderingly beautiful backgroupnd of flowers and foliage, an achievement for which he is supremely talented and which is likely to swing in from him most any day, mark our words, and particularly so if the chances for a Democratic President continue on the rise.

Seems, too, that Commander Schrepfer, with his profound knowledge of gardens, past and present, might welcome the opportunity of giving local expression to some of the horticultural ideas which burn him up, and thus provide our Narberth with a panorama of beauty and delight which shall ever be an elixir to the spirit and a boon and joy to the soul. And what a bracing pair Wohler and Schrepfer would make, what marvelous masterpieces throb within them, and, if we could but persuadeth them, look ye to the wide renown their handiwork would bring us!

As regards the money, why, everything came out all right, of course, as we knew it would all along, despite our lamentations, and there will be a tidy sum in the bank for next year, if we last that long. Mr. McCrery, the fund treasurer, is a magnanimous fellow and never did object to the multitudinous details at all. Neither did the gracious Mrs. Anderson, of the Narberth National's staff, about as capable a young lady in money matters (and in polite procedure) as we have met in many a day, and the very special thanks which are surely due her are here and now most freely accorded. Thanks, too, are showered on the stalwarts who passed the pans among the throng and whose pulchritude and personality (one or the other, maybe both) brought in three times more than was ever garnered that way before. Benedictions are also lavishly bestowed on this third list of generous givers, as indeed they are on all who helped in any way or manner to make Narberth's 1931 celebration of the nation's birthday a most notable and enjoyable occasion.

## Free Movies for Beetles Offered Garden Lovers

Declining to say whether he is curious to learn how many beetles there are in this section or how he plans to dispose of them, Manager Joseph Conway, of the Egyptian Theatre, Cynwyd, is making an unusual offer.

"For each covered Mason jar filled with Japanese beetles that is brought to the Egyptian Theatre any evening a free ticket of admission to this theatre will be presented," he declared this week. "There will be a table in the lobby, and no delay in making the exchange—a quart of beetles for each ticket. No strings attached to this offer; the only requirement is that each jar have a cap or stopper on it."

Garden lovers, already suffering from the seasonal pests, will welcome the opportunity, Mr. Conway feels, to turn the invaders to some practical use. A garden lover himself, and a resident of Cynwyd Estates, the Egyptian's managing director takes this means of contributing his share to defeat the invasion. In trying to exterminate the beetles, any means is considered fair: hanging, drawing and quartering, drowning, poisoning with arsenic of lead, lassoing, starving, freezing, boiling, frying and catching in traps.

A man may say to much even on the best of subjects.

Some people find out that the more science they utilize, the bigger price they pay.

The things we find the hardest to understand in this world are some other person's worries.

Nothing breaks a dry spell like an outdoor play.

No work is very hard to the man who merely looks on.

A woman's figure, like her age, is sometimes a doubtful quality.

## 115,000 Miles on One Overhauling

Made by Bala Taxi; Merion  
Ones Make 50,000 Miles  
a Year.

### CHEVIE SALES ARE UP

Bala-Cynwyd taxicabs owned and operated by Miss Helen Little from her stand at Fifty-fourth Street and City Line make a mileage of over one hundred thousand before they are traded in for new cars, according to Christian H. Kirsch, of the Kirsch Chevrolet Company, Bala Avenue. "Miss Little requires that much mileage from her Chevrolets," Mr. Kirsch went on, in an interview this week.

"All her five taxis are Chevrolets, and she has operated nothing but this type of car for six years. Just recently traded in was one of them that made 115,000 miles since 1928; in that time it had to be overhauled only once. "Pat Gallagher, who maintains four Chevrolets at his taxi stand at the Merion Station, has used that make of car for over seven years, after trying other models. His cabs average about 50,000 miles a year, and he trades them in for new cars without requiring any overhauling.

"The delivery car at King's Pharmacy, Cynwyd, makes about 38,000 miles a year before being traded in annually for a new one. Among recent purchasers of Chevrolets here are Blafkin Brothers, tailors; J. J. Rozboril, druggist; William Durbin, Narberth real estate and insurance agent; Ricklin's hardware store in Narberth, and Moore Brothers, Cynwyd food dealers."

Asked how Chevrolet sales are holding up during the depression, Mr. Kirsch, who is distributor for Bala-Cynwyd and Narberth, declared that new car sales are averaging 40 a month here, and are about double those of the corresponding first six months of last year. National Chevrolet production of cars and trucks, Mr. Kirsch went on, was 84,597 units in June, compared with 78,472 in June of 1930. Total units in the first six months of this year were 522,232.

New salesman for the Kirsch Chevrolet Company is William J. Burgess, of Hampden Avenue, Narberth. Mr. Burgess has been engaged in the automobile business for seven years.

### New School Directors Named to L. M. Board

Three new directors were appointed to the Lower Merion School Board on Monday night in a rearrangement resulting from the change in the school district from third to second class.

The new directors are Dr. Joseph W. Anderson, of Rosemont; Dr. Ezra S. Deubler, of Penn Valley, and William H. Decker, of Bala.

Robert J. Boyd, assistant treasurer of the Merion Title and Trust Company, was appointed treasurer of the Board, succeeding Everett E. Burlingame. William J. Byrnes, Jr., of Ardmore, resigned as a director but retains his position as secretary.

Under the laws by which second class school districts are governed, the treasurer and secretary may not be members of the Board. Hence, Mr. Burlingame resigned as treasurer but retains his membership on the Board. Mr. Byrnes, faced with the alternatives of resigning as a director or as secretary, retained the latter post, making the appointment of a director to fill that vacancy necessary.

## THE FIRESIDE

Continued from Page 6

Mr. Desmond J. McTighe, of 416 Essex Avenue, left last Saturday for the Adirondacks.

Miss Louise R. Jones, of South Narberth Avenue, returned last Sunday from a visit to Highpoint, Me., where she was the guest of Dr. John C. Foltz at his summer home.

Mrs. Lila Hoyt and children, of Wynnewood, are visiting Mrs. Hoyt's parents in Middlesburg, Ky.

The many friends of Mrs. Roland K. Hewitt, of Windsor Avenue, will be glad to hear that she is convalescing from her recent illness.

Mrs. Sarah Jones, of Narberth has taken a house in Wynnewood for the summer.

### Narberth Wins Brilliant Victory Over Hilldale, 5-1

Continued from Page One

drove in four of the Narberth tallies. Other potent stickers were Bob Jones, with a pair of singles and Harry King, with a double and single. The accurate throwing of King was also of great assistance to the Narberth cause, especially in the second inning with Hilldale men on second and third and no one out he caught Judy Johnson, a canny base runner, napping off second and broke up a threatening situation.

The game was a runless pitchers' battle up to the sixth inning, when Jones singled with no one out and Barney Slaughter caught one of Mitchell's fast ones just right, driving it to deep centre-field for a home run that caused the Narberth partisans to roar in glee.

Hilldale cut down this lead on the following inning when Jackson passed two men and then uncorked a wild pitch, advancing them to second and third. At this point the giant Mackey batted for Mitchell and came through with a clean single, sending in one run. The Hilldale effort was flagged, however, when Dallard flied out to Martin and Gilfillan made a great stop of Canady's hard-hit grounder.

The Davismen came back emphatically, however, in their half of the seventh when Rubincam singled and Harry King drew a pass. Jackson fanned for the second out, but Harry Francis by careful looking drew another pass, filling the bags. Followed clean singles by Bobby Jones and the valuable Slaughter and three more Narberth runs came over the plate.

Pitching confidently behind this lead Jackson caused White to ground out. Lewis then walked, but Jackson, bearing down effectively struck out Dihigo and Dixon, giving Narberth their greatest triumph of the season, as Umpire Rivel Called the game at this point on account of the growing darkness.

## W. Russell Green Speaker at Rotary

The significance of the Declaration of Independence and its effect in the decline of monarchies throughout the world, was the subject Tuesday of the talk of W. Russell Green before the Bala-Cynwyd-Narberth Rotary Club.

Mr. Green avoided "flag waving" and devoted himself to an analysis of the Declaration, its history and its contents. It was a new thought at the time, he pointed out, although its principles have since received world-wide acceptance.

"The Hoover Moratorium," he said, "will make the Fourth of July known throughout the world."

A lawyer himself, Mr. Green deplored the volume of laws added to the statute books each year, and made a plea for Governmental economy. "Politicians," he added, "will sooner or later tax business out of existence."

An apple a day will keep the doctor away, providing you don't take it in the form of applejack.

Life should be a route, not a routine. It is very easy to rise in your own estimation.

## In the Theater

When a theatre whose repertory already contains Shaw, Milne, Ibsen, O'Neill and Shakespeare can find four new plays by American authors for production within three months it looks as though hopes may be fairly high for the growth of native drama. Next Saturday night, the 18th, the Hedgerow Theatre will give to another American play its first performance anywhere. Not only is it written by an American, Perry Ivins, but its story is built around middle class Americans who might be living on "Main Street" in any one of the small cities in this country. The author of "Happy Ending" has allowed his potentially tragic situations to bring themselves to just what the title indicates. Carl Reukauff and Dudley Vaughan have the leading roles, with Frances Torchiana and Marshall Gatchell also importantly cast.

The plays of Lynn Riggs will dominate the programs of the week. "A Lantern to See By," opening tomorrow night, will be repeated Tuesday night, and "Roadside," by the same author, will be presented on Friday night. The first play has Dudley Vaughan, Miriam

Phillips, William Price and Joseph Taulane in the chief roles, while the bouncing Oklahoma comedy is acted with Cele McLaughlin and Harry Bellaver as the pair whose conflict forms the basis for the play. Wednesday night brings Musselman's "Merry-Go-Round" back again, a comedy of a Chicago stock company steadily growing in popularity. "Solitaire Man," the first mystery melodrama to be included in the Hedgerow repertory, will be played on Thursday night, with Carl Reukauff, Frances Torchiana, Dorothy Willard and Joseph Taulane in the roles of the air-trapped adventurers. "Pinwheel," in fifteen scenes which play with movie-like rapidity, is the show for tonight.

## Work Going Ahead on Villanova Gym

Ground was broken recently and construction is going ahead on the new Villanova College gymnasium. This structure, which is situated at the western end of the stadium on Lancaster Pike, will be 200 feet in length and 160 feet in width.

The building will be two and one-half stories high and will be of brick and limestone construction, fireproof throughout. It will house all athletic offices and accommodate visiting teams.

On the first floor, which is level with the gridiron, showers, lockers, dressing rooms, drying rooms, storage rooms and other facilities will be located. The second or main floor will contain a basketball floor with a seating capacity of 2500 spectators for games.

## Summer Visitors

Some summer guest oddly enough prefers to drop in while there is nobody home! In fact the summer time with its open doors and windows is one of the burglar's best seasons.

When you go away or if you stay at home, don't leave valuables to tempt him. The rental of a safe deposit box is such a small figure that there is no reason why anyone should suffer either deprivation or anxiety. Arrange for adequate safe deposit space before a prowling summer visitor arranges to relieve you of your valuables.

## Narberth and Cynwyd Firemen Play Tie

**Turbulent, Loosely Played Game Interrupted by Heated Arguments.**

By DAVE CASEY

In a loosely-played, free-hitting contest last Friday night, the Narberth and Cynwyd Firemen battled to an 8-8 tie on the Narberth playground, the game being called on account of darkness at the end of the seventh inning. This leaves these two teams still tied for first place at the end of the first half of the Fire-Police League and will necessitate a play-off game for the title which will no doubt be arranged in the near future.

The game was an extremely turbulent one, and the embattled players engaged in several arguments with Magistrate Fred Walzer, who acted as umpire. Cynwyd was especially obstreperous and one time when Umpire Walzer called one of their players out for interference the ensuing debate lasted fully ten minutes. The noisy and vociferous razzing of the visiting team by the Narberth rooters, led by those noted vocalists, Dave Mawhinny and Dan Ely, was reminiscent of the fierce partisan spirit displayed in the pre-war Main Line League.

In regard to playing of the game little need be said. Both Pete Yocum and Bill Titlow, the opposing hurlers, were in poor form and their offerings were swatted lustily, while their wildness and numerous errors also helped to keep the bases occupied most of the game. The one outstanding feature was a terrific home run drive from the bat of Joe Franzen, Cynwyd's slugging left fielder, in the fourth inning.

## Two Additional Tennis Courts to Be Constructed

Continued from Page One

trustees of the old Narberth Y. M. C. A. who turned over the balance of the fund, amounting to a little over \$1000, to the Recreation Board. T. Noel Butler is vice-president and treasurer of the board of trustees and the other living members are Fletcher W. Stites, A. R. Justice and W. D. Smedley. Deceased members are Howard McCarter, Alexander C. Shand and A. J. Loos.

The playground's debt is large to the Y board of trustees. Proceeds from the sale of the Y building were used for the construction of the Community Building, and also to grade the playground which made it usable a couple of years sooner than would have been the case otherwise.

The wading pool, which is located near the Haverford Avenue side of the grounds, will be limited in its use to two days a week under supervision. The water will be changed each time the pool is used.

The great demand on the tennis courts has made the addition of more courts imperative. Even restricting playing time to half an hour has not satisfied the demands of the numbers who wish to use them.

These additions will make the Narberth playground one of the best equipped in the Philadelphia district.

## Summer School Here Opened on Monday

**Sessions Begin at 8:30 and End at 11:30; Teachers Are Listed.**

### THIRTY-THREE ENROLLED

The summer session of the Narberth Public Schools opened Monday with thirty-three pupils enrolled. As in former years it is conducted by advanced students in the School of education at the University of Pennsylvania under the supervision of Principal W. James Drennan.

The teachers and their subjects are: Serena Baylis, of Philadelphia, sixth grade sewing and seventh grade English; Margaret Magee, of Ocean Grove, an Oberlin College graduate, sixth grade English, seventh grade literature and history; Bertha Rossier, of Philadelphia, sixth grade history and geography; Clara Zepp, of Paoli, sixth and seventh grade mathematics; Frances McAfee, of Wilmington, seventh and eighth grade mathematics and eighth grade history.

The school starts at 8:30 and runs until 11:30, after which there is a half hour coaching period.

## Narberth, Cynwyd Troops Leave for Camp Delmont

Camp Delmont is now running in full swing. The first few weeks of the Delaware and Montgomery Counties Scout Camp are over, and the preliminary preparations are completed. The first summer session of the Court of Honor in which Merit Badges are awarded, was held on Thursday evening in the council lodge. This court session will be held once a week during the camp season.

A report from scout headquarters shows that 150 boys attended the camp instruction in handicraft. This instruction consisted of leathercraft, linoleum block printing, tin foil glass work, archery, aeroplane (model) building and merit badge instruction.

Last week the camp letters, "C. D.," were awarded to: Alan Ludlow, of Ardmore Troop, No. 1; Harry Kraftson and Lawrence Trenholme, of Bala, No. 1.

It was reported that 220 scouts attended Delmont last week. This number will probably be enlarged tomorrow (Saturday) when boys from other troops in the counties will enter camp. From the Main Line section two troops will attend. They are Narberth, No. 1, and Bala-Cynwyd, No. 2. The campers from these troops are as follows: Narberth, No. 1: George Schroeder, Jr., Drew Daubert, Walter Case, Jr., Norman Egolf, Paul Egolf, Robert Knapp, Martin Case, Robert Deaves and Thomas Laughlin. Bala-Cynwyd, No. 2: Richard Condon, Edwin Heller, Noel Murphy, Ted White, Louis Frick, Paul Chandler, Jr., Earl Raum, Richard McHale, David Leibgries.

## Strengthened Narberth Team to Make Strong Bid

inter-collegiate championship; Pete Richards, another former Swarthmore star, who started the season with Narberth but has been out of the game for several weeks on account of an injured leg, and George Babb, who played a fine game with the Penn A. C. this year and who needs no introduction to a Narberth audience.

Bob Jones, who joined the Narberth team late in the first half of the season, will be back at third for the second half. Bob, who has lived all his life in and around Narberth, and who made such a fine record both as a football and baseball player at Episcopal Academy, is continuing that record at Penn, and promises to be a strong addition to the local club.

King, who joined Narberth at the beginning of the season and who plays the game more like Mickey Cochrane every day, will continue as the first-string catcher, with the hard-working and popular Young as the first relief catcher.

Keith Parks, former Lower Merion star, who made a fine record at State this past spring; Jackson, of Pennsylvania; Bill Reynolds and Jim McKee will carry the burden of the pitching.

In the infield, in addition to McEntee, Walker and Jones, there will be Baker and Rubincam at second, and Bob Gilfillan, who is an experienced player at any of the infield positions.

In the outfield, in addition to Carter and Richards, there will be Martin, Slaughter and Francis, all experienced and capable ball players.

This second half is going to be a real contest and Manager Davis and his players are going to give Narberth real championship baseball.

district, and two Inspectors of Election.

All three Councilmen whose terms expire will probably be candidates for re-election. Mr. Haws and Mr. Fretz when questioned about their intentions this week stated that they "hadn't given the matter any consideration." Both men signified their willingness to run again if citizens wish them to do so and feel they have done a satisfactory job in office. Mr. Bates stated that he hadn't decided whether to run again or not, but thought that he probably would be a candidate for re-election.

John A. Mowrer, Jr., a former candidate for Council, said he had not given the matter any thought when asked this week if he was going to run again.

Mrs. Van Auken, School Board member for the past six years and vice president of the Board, stated this week that she would not be a candidate for re-election. Dr. Steckbeck, the other member whose term expires, is undecided. He will serve if wanted but will not make any great effort to contest the post if there are other candidates. This leaves one more or less certain vacancy on the School Board.

Petitions have been circulated for Fred Walzer for sheriff of Montgomery County, and to date he is the only resident who is running for any office outside of the borough. The name of Edward S. Haws had been mentioned as a possible candidate for County Commissioner on the Democratic ticket, but Mr. Haws said this week that he was not going to run for that post.

Candidates may be put in the field up to the last day on which petitions may be filed, which is August 10. The primaries take place this year on September 15.
